

Registration & Availability of Services

The Proper Analysis Corporation is a federally registered investment adviser. Nothing herein should be construed as a solicitation of investment management or financial planning services. If you are interested in learning more about our services, please feel free to call us directly at (216) 595-3842. We will discuss the availability of our services with you at that time based on your legal residence.

Internet Usage:

By using our web site, you accept at your own risk that the Internet and online communications medium may not perform as intended despite the efforts of The Proper Analysis, your Internet service provider, and you. Use of this web site is at your own risk. You (not The Proper Analysis) assume the entire cost of all necessary servicing, repairs, or correction of your property or operations as a result of using this web site.

The Proper Analysis accepts no account instructions via e-mail or left on individual or general delivery voice mail.

Content:

The information that is provided on The Proper Analysis Corporation's web page(s) has been reviewed for accuracy on a best efforts basis. The authors of these documents make no warranty of any kind, expressed or implied, and will not be held responsible or liable for errors or omissions resulting in any loss or damage caused or alleged to be caused, directly or indirectly, by information contained herein.

Past performance may not be indicative of future results. Therefore, no current or prospective client should assume that the future performance of any specific investment, investment strategy (including the investments and/or investment strategies recommended and/or purchased by adviser), or product made reference to directly or indirectly on this Website, or indirectly via link to any unaffiliated third-party Website, will be profitable or equal to corresponding indicated performance levels. Reference to a fund, security, investment custodian or third party investment manager is not a recommendation to buy, sell or hold a security or to do business with that party.

Different types of investments involve varying degrees of risk, and there can be no assurance

that any specific investment will either be suitable or profitable for a client's or prospective client's investment portfolio. No client or prospective client should assume that any information presented and/or made available on this Website serves as the receipt of, or a substitute for, personalized individual advice from the adviser or any other investment professional.

Historical performance results for investment indexes and/or categories generally do not reflect the deduction of transaction and/or custodial charges or the deduction of any investment-management fee, the incurrence of which would have [the] effect of decreasing historical performance results.

This website is a publication of The Proper Analysis Corporation. Information presented is believed to be factual and up-to-date, and we do not guarantee its accuracy and it should not be regarded as a complete analysis of the subjects discussed. All expressions of opinion reflect the judgments of the authors as of the date of publication and are subject to change.

Information on this website does not involve the rendering of personalized investment advice, but is limited to the dissemination of general information on products services. A professional adviser should be consulted before implementing any of the options presented. Information on this website is not an offer to buy or sell, or a solicitation of any offer to buy or sell securities mentioned herein.

The Proper Analysis Corporation is an SEC-registered adviser and only transacts business in states where it is properly registered, or is excluded or exempted from registration requirements.

The content of this website is provided for informational purposes only, and should not be construed as legal or tax advice. Always consult an attorney or tax professional regarding your specific legal or tax situation.
